THE LITTLE GIRL FOOD BANK – THE CPD DRIVES

Collection Drive

You can donate Food Items but they should meet the conditions and guidelines of The Little Girl's Food Bank, and if they don't, then the said food items would not be accepted.

Food Donation Guidelines

You can donate food that has not been served including any raw, cooked, processed, or prepared food, beverage, or ingredient used or intended for use, in whole or in part for human consumption, with the condition that the items be wholesome. This includes packaged & prepared food.

FOOD THAT CAN BE DONATED

- **Hot Food** that was not served and kept at temperature and/or cooled properly (main course, soups, etc.)
- **Cold Food** that was not served and kept at temperature (sandwiches, desserts, salads, etc.)

In the not - so - distant future, we will move towards a biodegradable option.

Distribution Drive

The Little Girl's Food Bank primarily focuses on the Food Distribution Drive. Food Bank works with a network of non - profit partners to distribute this food to communities that require the said food across the globe. The Network comprises of these non - profit partners who provide free food to community members via free food distributions, free community meals, and much more.

How you can **CONTRIBUTE**

Our volunteers provide essential services in many ways:

- Assemble daily hampers
- Sort food donations
- Breakdown and portion bulk items
- Pack eggs into cartons
- Provide helpful input to other volunteers and staff

We invite applications for volunteer programs on a rolling basis who get to work closely with the core team and Certificates are issued to interested volunteers on satisfactory completion of their tenure.
