We gather and collect new and old/used toys through our dropping /collection centers.

These collection centers are Schools, homes and offices.

Anyone interested in donating and/or sponsoring a toy or toys can come to our collection centers and drop a toy or toys.

Interested donor and/or sponsor can also give a call at collection center for Pickup and our collection drive team will coordinated and arrange a Pickup from your address.

This entire process is called collection Drive.

REFURBISHMENT DRIVE

The old/used toys that are collected through the collection Drive are then refurbished and given a makeover and remodeling to make them reusable.

The makeover toys are then packed and given to the Distribution Team.

DISTRIBUTION DRIVE

The Refurnished toys subsequently go for Pre - Assessment and then on the basis of research and study conducted by Pre - Assessment, the toys are segregated.

Further, segregated toys are packed with the tags of Donor and/or sponsor and then distributed and dispatched to unprivileged kids at Anganwadis, Shelter Homes, Orphanages, Educational Centers etc. on 'Distribution Day'.
