

One Attire = Confidence

Many people just throw their old clothes away. Old pair of jeans which one no longer fits in, an ancient sweater with some wool pulled off, a ragged t-shirt and all such clothing we abandon and move up to the latest fashion. However, when it comes to underprivileged kids their basic 'Freedom of Dress' is far away from veracity. Even some fail to obtain essential attire-on the body in order to protect it against the adverse climate conditions.

We at The Little Girl's Wardrobe Bank started this magnificent initiative with the object to collect clothes from people who no longer need them, and distribute these clothes to the underprivileged kids across the globe.

Our Mission

Our Vision

Our Vision is to enable every underprivileged kid a physical safeguard to the body, preventing harm from climate and environment by providing them clothes.

Our Mission is to address the psychological changes of every underprivileged kid that occur when clothes are worn because the clothes we wear affect our behavior, attitudes, personality, mood, confidence, and even the way we interact with others.

THE CSD DRIVES

Collection Drive

Any type of clothes that are in good condition can be donated. The donated clothes must be neat and clean promoting hygiene. The clothes must not have any stains, holes, or tears.

We collect clothes that have outgrown their usefulness from the donor and give them to underprivileged less fortunate by providing one of the basic necessities of life, i.e. clean clothing for underprivileged. Through this charity, you can up-cycle your old clothes.

Segregation Drive

The Clothes which meet our criteria subsequently go for Pre – Assessment. On the basis of assessment conducted, the clothes are segregated / divided keeping in mind the age, size and gender. On the basis of research and study conducted by Pre – Assessment clothes are packed with the tags of Donor and / or sponsor and then handed over to the Distribution Team for distribution.

Distribution Drive

The Pre – Assessed clothes are then distributed and dispatched to underprivileged kids at Anganwadis, Shelter Homes, Orphanages, and Educational Centers etc. on 'Distribution Day'.

On Distribution Day, we also click photographs of the kids receiving clothes and send it to respective donors.
